

Midland Trace Trailhead Bicycle Sculpture

Keep Noblesville Beautiful is a non-profit organization dedicated to enhancing Noblesville's natural beauty through a wide variety of community outreach programs. They include highway clean-ups, tree and mulch giveaways, neighborhood trash and debris removal, lawn maintenance and exterior painting assistance for the elderly and physically limited and now, KNB is proposing to become more active in Public Art.

Keep Noblesville Beautiful has selected a Noblesville artist, Kevin Huff, to design and create a sculpture celebrating the Midland Trace Trail through a bicycle inspired art project. The Sculpture will be located along Hazel Dell Parkway at the intersection of the Midland Trace Trail, east of the new trailhead. The project will be completed upon securing partnership approval and sponsorships. Upon completion the sculpture will be donated to the Noblesville Parks, City of Noblesville or the Parks Foundation.

Therefore, KNB is seeking sponsorships for the final design, creation and installation of the project.

Final design rendering execution might vary slightly. Sponsors may reserve the right to comment if the design does not meet or exceed design expectations. However, KNB reserves the right of creative expression and intent will meet or exceed the intent of this concept.

Your Generous Donation is deductible as a contribution for Federal Income Tax Purposes under Section 170 of the Internal Revenue Code, pursuant to the rulings issued April 24, 1946 and February 9, 1973 by the Internal Revenue Service to the U.S. Department of Agriculture. Your Cancelled Check will serve as Receipt, unless receipt is requested.

All funds will be held in the KNB "public art fund" and will NOT be used for any other project or operation expenses. If project is not started within one year all funds shall be refunded.

THANK YOU for your consideration of this Opportunity.
